Last week, we talked about Jesus being the Alpha and Omega, the first and the last and beginning and end. Jesus was here at the beginning and he will be here at the end. This week, we talked about Immanuel. What does Immanuel mean? (God with us)

Get out a piece of paper and crayons and draw a picture of somewhere we can go where Jesus will be with us.

How can you know Jesus is with you? Can you see him? Can you feel him? Do you just know?

Read Matthew 1:23. It had been said for hundreds of years someone would be born and called Immanuel. When Jesus was called Immanuel, everyone knew Jesus was the promised one. They knew God was with them. How do you think people felt when they realized the promise had come true and God was with them?

When does knowing Jesus is with you give you the most comfort?

Work on making something together to remind you Jesus is with you. This can be a tag for a stuffed animal, a paper person, a magnet for a refrigerator, or whatever your family will see and be reminded of Immanuel.

Pray and thank Jesus for being with us and ask that we always recognize that he is with us.
