We have talked about Jesus as the Alpha and Omega (beginning and end) and Immanuel (God with us). We also know Jesus is our shepherd and we are his sheep. How are we like sheep and how is Jesus like our shepherd?

Play “follow the leader.” Talk about how sheep follow a shepherd just like we should follow Jesus.

Where do shepherds lead their sheep? (grass) Where does Jesus lead us?

Read John 10:14. A shepherd knows his or her sheep very well. Sheep also know their shepherd and recognize his voice. Can you recognize who calls you? Go into another room and have other people or AI (such as Siri or Alexa) call your kids name(s). You call their name(s), too. Ask if they recognized your voice. How can we recognize when our shepherd, Jesus, calls us?

Jesus knows all of us by name. How many people do you know by name? See how many names your kid(s) can remember without any context clues.

If you were a shepherd, where would you take your followers? Do you think Jesus wants to lead you there?

Pray and thank Jesus for being our shepherd and leading us to what we need.
