We have talked about Jesus as the Alpha and Omega (beginning and end), Immanuel (God with us), and the Good Shepherd. We also know Jesus called himself the Way. Why did Jesus call himself The Way? Jesus is The Way to what?

Do a maze together. Talk about how there is only one way to get to the end of the maze, and there is only one way to get to God - through Jesus, The Way!

How would we get to the neighbor's house? (walk) How would we get to the store? (car) How would we go really far away, like to England? (plane) How would we get to an island surrounded by water? (boat) No matter where we go, there is a way to get there. If we want to get to the Kingdom of heaven, the only way to get there is to follow Jesus. He is our Shepherd who is leading us and he is The Way showing us how to get from the beginning (Alpha) to the end (Omega).

Hide an object in a room in an impossible place to find it. Use hints (like "getting warmer" or "getting closer") to guide your kid(s). When you lead them to the object, talk about how the only way to find it was to follow your voice and listen to you. In the same way, following Jesus and listening to him is the only way to find God.

Pray and ask Jesus that we follow him and listen to him so we can know the way to God.
