Who was the thirteenth king of Judah who was a great spiritual leader of his people? (Hezekiah)

Read 2 Kings 18:1-8.

Hezekiah trusted and followed God more than any other king before or after him. How can you show you trust God and follow him?

People worshiped idols on mountains or “high places.” Hezekiah cut them down. Put a toy figurine on a high place. Throw a ball and try to knock it down like Hezekiah did.

David was a great warrior. Solomon was very wise. Uzziah provided for his people. Hezekiah was a great spiritual leader. None of these kings were perfect, though. God’s people still awaited the right kind of king who was a warrior, wise, provided and led spiritually. Who would that king be? (Jesus)
