Read Mark 11:1-11.

People were ready to make Jesus a king and go to war right then! What did Jesus do instead? Do you think the people were disappointed when Jesus just turned around and left?

Play “The Floor Is Lava.” Set out pillows, cushions, or whatever you have that you can get from one spot in a room to another spot without touching the ground.

The people didn’t want Jesus or his donkey to touch the ground, because he was too special to touch the dirt!

Jesus wasn’t the kind of king the people wanted, but he was the right kind of king.
