Who is the King of Kings? (Jesus)

Read Matthew 28:1-10.

Take a glass plate and dry erase marker. Thickly draw a stick figure on the glass plate with the dry erase marker. Carefully pour some water on the plate and watch the stick figure come off the plate and come to life!

Jesus was dead and buried and no one thought they would see him again. But after three days in the tomb, what happened to Jesus?

Because Jesus defeated death, we can defeat it, too. We can't defeat Jesus, though. No one and nothing can. But if you played against Jesus in a game, what game would it be? Would you win?

Jesus proved by defeating the real enemies - sin and death - he is truly the right kind of king. He is still alive today, too! Praise the King of Kings!
