## 04/14

What happened on the day of Pentecost?

Read Acts 2:1-8.

While the followers of Jesus were in a room, they heard the sound of a rushing wind. Spend some time trying to recreate that sound. Be creative and use many objects.

What came and rested on the Disciples during Pentecost? (Tongues of fire)

How would you react to a tongue of fire coming to rest upon you?

When the Holy Spirit rested upon the Disciples, they spoke all languages at the same time! Everyone in the world could understand them! Look up different ways to say “hello” in many languages. Practice saying them.

After Jesus left earth, he left his Disciples with the gift of the Holy Spirit. The Holy Spirit is still with us today, too. We are never alone!
